This album represents some of our favorite arrangements of both old and new Christmas songs.
We hope it blesses you as it has blessed us during the creation and recording of this collection of songs. They span many styles and moods from three completely different musical projects; the deep Celtic swamp-grass of Shadowfields, the new standards of A Garden of Souls and the proggy goodness of Undoubting Thomas.

May each of you enjoy this season of blessings, mystery and the wonder of Christmas. Emmanuel, God with us.

Lookin' Up

The cold wind is on my face
The light is bright on the window pane
I'm looking up, Oh yes, I am
I'm lookin' up I'm lookin' up

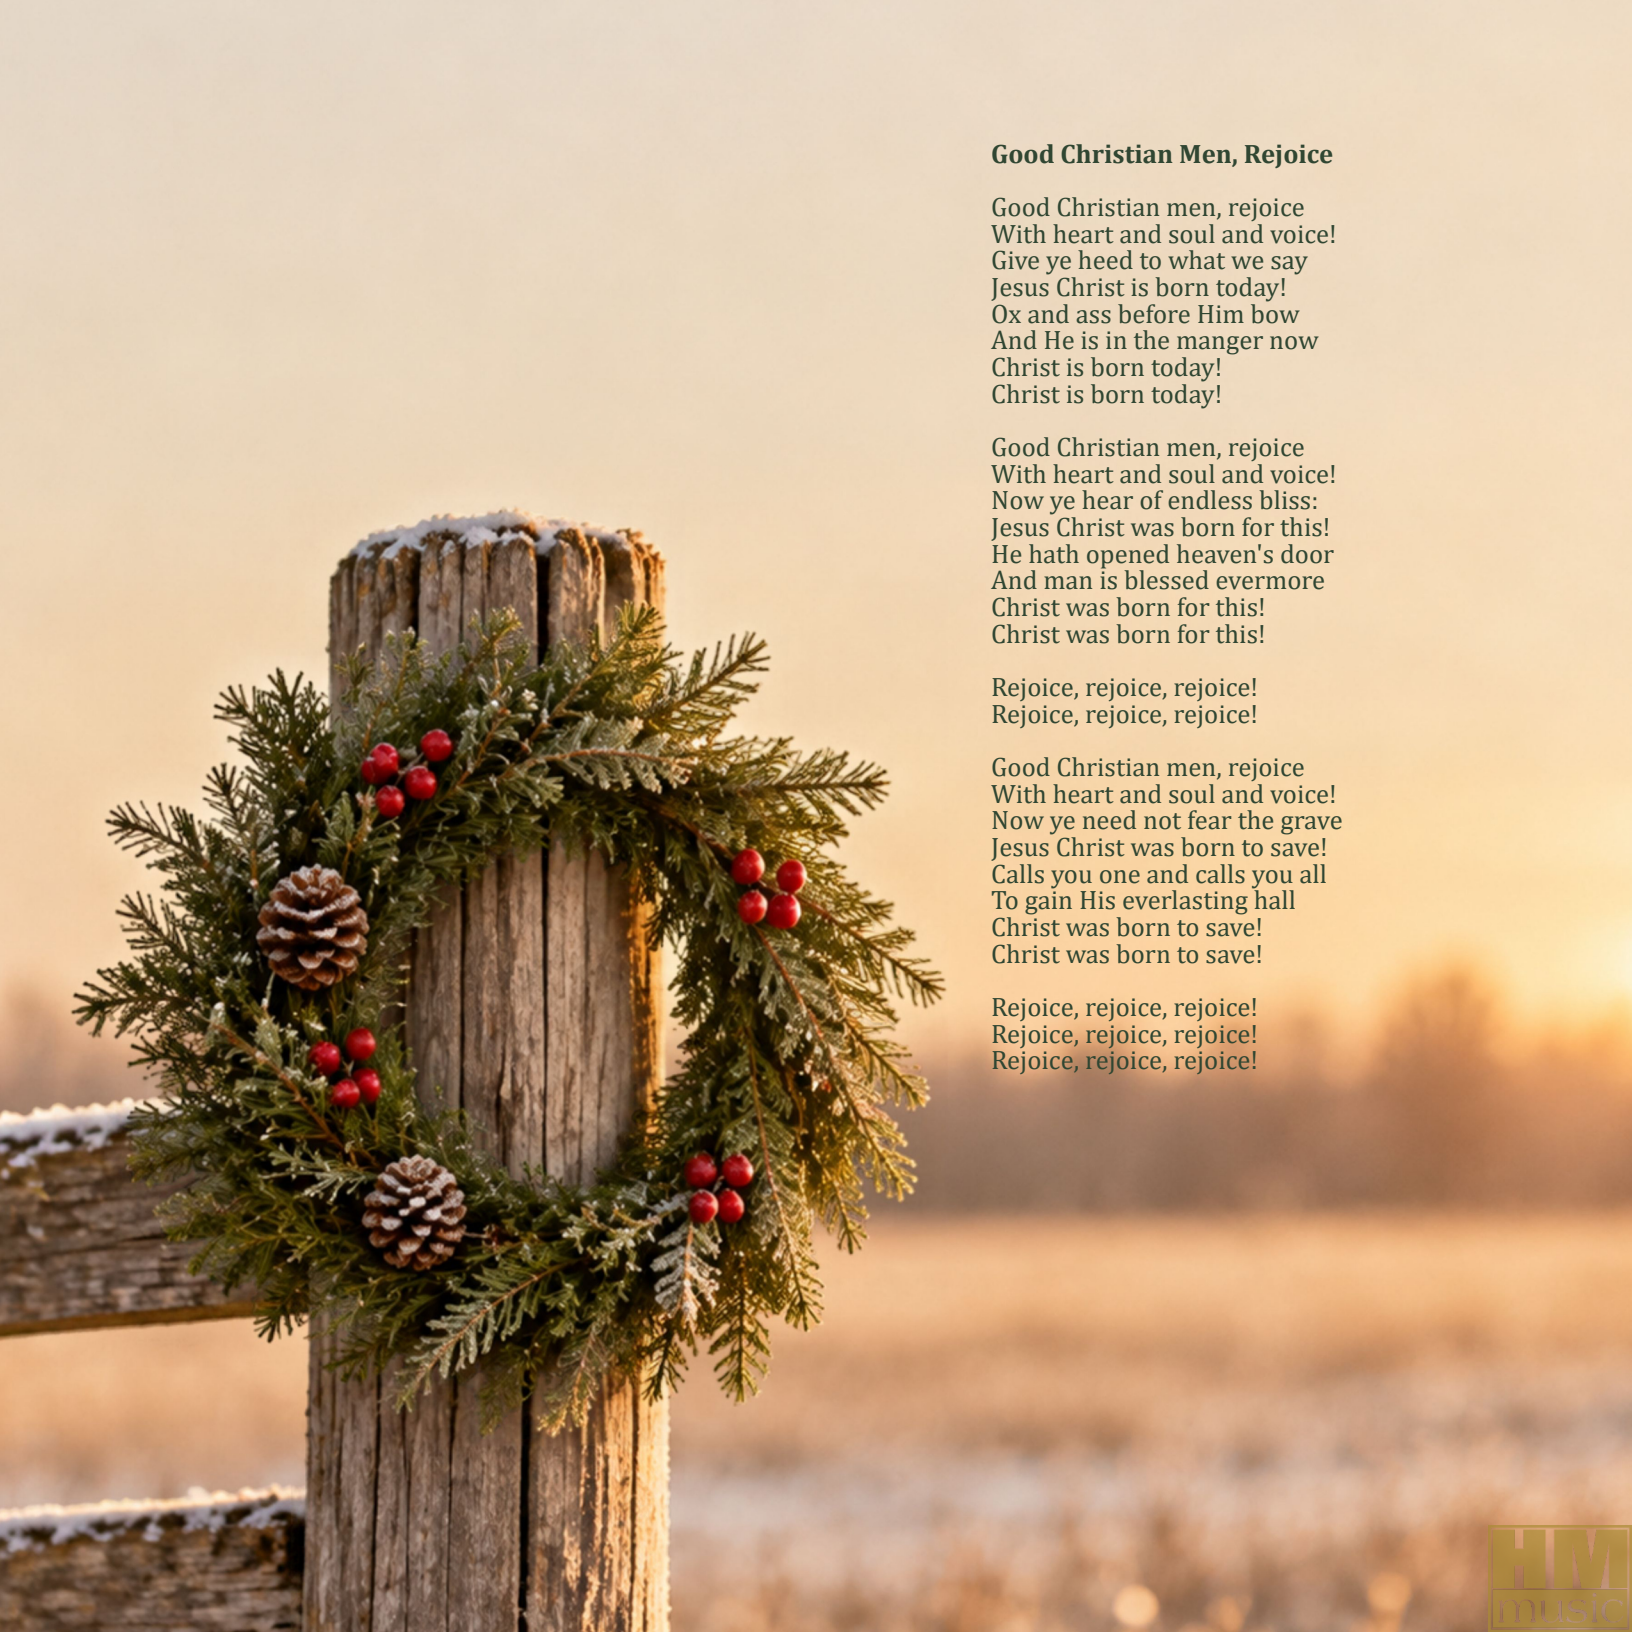
Stars have lived million years
They've seen a boy and girl with fears
They're looking up, oh yes they are
They're lookin' up, Hallelujah they're lookin' up

The Savior born in this humble place
A mother looks at her baby's face
She's lookin' up, Oh yes she is
She's lookin' up
Hallelujah she's lookin' up

Now listen up
The desert winds were blowing
The stars in the skies were shining
And the shepherd were praising
Now the angels are singing to baby baby Jesus
Oh yes, they are
Oh yes, they are

Let's sing!
To Jesus name
In heaven above
We're lookin' up

Did you hear?
Did you hear about the baby?
A beautiful baby
Baby Jesus was his name
He gives us hope
So I'm lookin' lookin' lookin' lookin' up



Good Christian Men, Rejoice

Good Christian men, rejoice
With heart and soul and voice!
Give ye heed to what we say
Jesus Christ is born today!
Ox and ass before Him bow
And He is in the manger now
Christ is born today!
Christ is born today!

Good Christian men, rejoice
With heart and soul and voice!
Now ye hear of endless bliss:
Jesus Christ was born for this!
He hath opened heaven's door
And man is blessed evermore
Christ was born for this!
Christ was born for this!

Rejoice, rejoice, rejoice!
Rejoice, rejoice, rejoice!

Good Christian men, rejoice
With heart and soul and voice!
Now ye need not fear the grave
Jesus Christ was born to save!
Calls you one and calls you all
To gain His everlasting hall
Christ was born to save!
Christ was born to save!

Rejoice, rejoice, rejoice!
Rejoice, rejoice, rejoice!
Rejoice, rejoice, rejoice!

Listen to the Angels

Holy child in manger lay
The precious gift of God to man
The mystery of God with us
Born in Bethlehem

Holy child of highest birth
Shepherds wondered at the sight
The heavens sang the Messiah's come
Today is born the Christ

Listen to the Angels sing for joy
Oh Jerusalem, awake and see
The Blessed Hope, Emmanuel and King
He's come to earth to set the captive free

Jesus Christ, the newborn King
We worship and adore your name
For by your hands salvation stands
And death no longer reigns

Jesus Christ our God with us
You reign in victory and might
For by your wounds a soul has worth
And lives in your delight

Listen to the Angels sing for joy
Oh Jerusalem, awake and see
The Blessed Hope, Emmanuel and King
He's come to earth to set the captive free

Rejoice!
Rejoice!

Dwell With Us

Listen to the sound

Listen to the sound as angels sing
Hearts full of praise to the King
Dwell with us
Dwell with us

He is the one we've been searching for
He is the one the Lord of Lords
Dwell with us
Dwell with us

Jesus, Prince of Heaven
Mighty God over all the nations
Noel, Noel
Jesus, Prince of Peace
Mighty God you set us free
Noel, Noel, Noel, Noel

Emmanuel, King of Kings,
Bowing down, fall to our knees
Dwell with us
Dwell with us

You are the one we've been searching for
You are the one that we are adore
Dwell with us
Dwell with us

Jesus, Prince of Peace
Mighty God you set us free
Noel

The Savior I Find

Lord, I need to be still
And wonder at your mystery
That you a baby boy child
Flesh and blood God and King
You had power in your tiny hands to alter space
Under the stars of Bethlehem, the Savior I find.

The Savior who was born without dignity
The Savior who walked with humanity
You left your glory for a straw bed so slowly
Emmanuel, born to bring life
Holy child, you're the savior I find

Lord, I need to be still
And wonder at your mystery
That you a baby boy child
Flesh and blood God and King
By the beating of your tiny heart
Love was redefined
Under the stars of Bethlehem
The Savior I find

But how can I adore you when all ever I do
Is try to satisfy myself with everything but you
So strip the way, the idols of emptiness and void
And change me by your spirit Lord,
Only found in the babe of joy
Only found in the babe of joy

By the beating of your tiny heart
Love was redefined
On that holy night in Bethlehem
The Savior I find

The savior who was born without dignity
The Savior who walked with humanity
You left your glory for a straw bed so slowly
Emmanuel, born to bring life
Holy child, You're the Savior I find
You see my broken heart needing your life

Lord I need to be still
Lord I need to be still

God Rest Ye Merry Gentlemen

God rest you merry, gentlemen
Let nothing you dismay
Remember Christ our Savior
Was born on Christmas Day
To save us all from Satan's power
When we were gone astray

O tidings of comfort and joy, comfort and joy
O tidings of comfort and joy

From God our heavenly Father
A blessed angel came
And unto certain shepherds
Brought tidings of the same
How that in Bethlehem was born
The Son of God by name

O tidings of comfort and joy comfort and joy
O tidings of comfort and joy

He has come to save us all from Satan's power
He has come to save us all from Satan's power
Rejoice!

Now to the Lord sing praises
All you within this place
And with true love and brotherhood
Each other now embrace
This holy tide of Christmas
All other doth deface

O tidings of comfort and joy comfort and joy
O tidings of comfort and joy

Angels We Have Heard On High

Angels we have heard on high
Sweetly singing o'er the plains
And the mountains in reply
Echoing their joyous strains

Gloria in excelsis Deo!
Gloria in excelsis Deo!

Shepherds, why this jubilee?
Why your joyous strains prolong?
What the gladsome tidings be
Which inspire your heavenly song?

Gloria in excelsis Deo!
Gloria in excelsis Deo!

Come to Bethlehem and see
Him whose birth the angels sing
Come, adore on bended knee
Christ the Lord, the newborn King

Gloria in excelsis Deo!
Gloria in excelsis Deo!
In excelsis Deo!
In excelsis Deo!
In excelsis Deo!
